Carrier certifies that it holds appropriate authority to perform this service:

Specifically that it maintains required insurance, workers compensation, as required by law and that the rate specified above is an appropriate transportation agreement for the shipment (s) described between carrier and Midwest Freight Logistics. Carrier is responsible for all additional operating costs associated with this move including fuel taxes and fuel surcharge etc.

Carrier is to perform the transportation as outlined by Midwest Freight Logistics Corp and must contact Midwest Freight Logistics with any delays or problems.

Special Instructions:

- \* Driver must accept and be tracked by macro point tracking at all times during the load. (any deviation from this may result in rate deduction)
- \* Carrier must advise Midwest Freight Logistics with in 15 minutes of driver arriving at pick up, when driver is loaded ( carrier will provide pieces, weight and BOL), when driver arrives at delivery and when driver departs from delivery. (any deviation from this may result in rate deduction)
- \* Carrier must advise Midwest Freight Logistics about any delays in route. (any deviation of this may result in rate deduction)
- \* If carrier is late for pick up and/or delivery without valid reason. Midwest Freight Logistics may deduct from rate.
- \* Detention for both pick up and delivery will start 3 hours after scheduled time. Carrier must advise Midwest Freight Logistics one hour prior to the start of detention and once detention starts. (Failure to notify will result in denial of detention payment)
- \* Carrier is responsible for sending BOL, POD and invoice to billing@midwestfreightsystems.com with in 48 hours after delivery of the load. (any deviation may result in rate reduction)
- \* If paperwork for the load is not submitted it may result in non payment of the load.
- \* All accessorial charges will be paid according to the Carrier-Broker agreement sent by Midwest Freight Logistics and signed by carrier. (unless otherwise agreed to by Midwest Freight Logistics representative prior to completion of the load)
- \* All accessorial charges must be approved by Midwest Freight Logistics prior to being completed. (any deviation could result in non-payment of additional charges)
- \* All Shipment are Exclusive Use Full Truck Load Only & NOT to be Re-Brokered (any deviation could result in non-payment of the load)
