FourKites tracking is a requirement. Tracking must be accepted prior to dispatching and must remain tracking throughout the duration of this load. Location updates are needed every hour. Failure to track with consistency constitutes a service failure on the load.

In order to be eligible for any accessorial pay, the carrier must accept tracking and keep it active for the duration of the load. Failure to accept and maintain tracking for the duration of the load will result in the forfeiture of all TONU's, detention, and layover pay.

4kites tracking must be accepted or you will not be dispatched. Trailers must be clean, dry, odor free, and hole free or they will be rejected and no TONU will be paid. By signing this you agree to TQL's accessorial policy.

Detention policy:

- \$35 per hour after 2 hours at appt. and \$35 per hour after 3 hours at FCFS facilities.
- Layover is \$250
- To receive detention signed BOLs with IN and Out times at both the shipper and Receiver must be sent to enterprisedetention@tql.com within 24hrs of delivery or your request will be denied.
- Detention is capped at \$250, equal to 1 layover.

TQL requires the following communication

- At or before the appointment time/within the FCFS window that a driver is checked in to the facility
- 30 minutes before detention time starts
- At the time driver is loaded/unloaded
- BOL/POD must have times stamped and signed by the facility (handwritten is not sufficient)

For Loads Picking up at the Accucaps facility: All bullet points below must be reviewed to ensure the driver can meet the requirements. TQL should be notified immediately, and the load should not be accepted if the requirements cannot be met.

- Driver must accept FourKites Tracking
- Exclusive use of the trailer is required, and the load cannot be run as a partial
- Driver(s) must arrive at the shipper with a full tank of fuel, well rested, fresh on hours
- Trailer must be locked and sealed prior to leaving the shipper
- Trailer must be clean, in sound physical condition, odor free, dry, leak proof, and free of contamination/infestation
