Instructions

International Paper - 2 load bars or 2 cargo straps are required or they won't load the trailer!

International Paper - QTGICOHE: Drivers may be required to wear a mask or face covering while making pickups or deliveries at Pepsi facilities!

International Paper - QTGICOHE: Shipment tracking via TruckerTools is required for all of our shipments!

Please contact our Capacity Representative immediately if you or your driver won't agree to the following. Driver cell phone #'s are required for all shipments! Your driver will receive a text message with a link to download the TruckerTools application, or accept tracking for our load if they already use the application. Tracking is required from pickup to delivery!

International Paper - QTGICOHE: All loads are tendered as full truckloads and must be sealed and the seal # must be noted on the BOL by the shipper! Your driver must call Seal Transportation PRIOR to leaving the shipper if they don't seal the load! DO NOT LEAVE THE SHIPPER WITHOUT THE LOAD BEING SEALED AND THE SEAL # ON THE BOL! UNSEALED LOADS WILL BE REJECTED BY THE RECEIVER AND A CLAIM WILL BE FILED! We suggest that all loads be padlocked in-transit to deter seals being broken in route!
