SPECIAL INSTRUCTIONS:

*Per the shippers requirement....."Drivers MUST have hard hat and piece of high viz clothing from waist up at shipper. If hard hat is high viz, it can fulfill both requirements. If driver does not have equipment available, they can check out set to use at guard house. Also, NO flips flops while on site. Driver may be refused without fulfilling requirements..

*Important-Please read! If your load goes to a Chewy DC, please adhere to these instructions. Loads originating in VA (King William) Nestle location you have roughly a 10 hour transit time going to Vandalia, OH. Loads originating from MO Nestle plant (Bloomfield or Sikeston) you have an estimated 7 hour transit time. It is the carrier's responsibility to confirm with the driver that they have sufficient driving hours available to make the delivery appointment time. At each Chewy delivery location, there is a 15-minute window that you are allowed to be late. If you miss the appointed time, then it could take 24/48 hours to get a new delivery appointment. The new delivery appointment could be anywhere from 1-2 weeks later! It is vital that you communicate with ALC if there are any delays during shipping or while in transit. If shipping is not getting you loaded in time to meet the delivery appointment, call Allen Lund (800-459-5863) to discuss available options..

*If you are loading from Nestle Purina Fairburn, GA location, you will have to bump 2 docks to get fully loaded. The second dock is right across the street from the original dock in Fairburn. Please see Allen Lund with any questions or issues. Thank you.

*Shipper detention and layover policy is as follows: Detention is \$30 an hour after 2 free hours past the appointment time. Layover is \$250 per day..

*All Target Distribution locations are implementing a face covering policy for all employees and carriers/vendors regardless of their vaccination status.

Drivers must be prepared with face covering when arriving at Target DCs so they are not refused for unloading..
