Rate above is contingent upon on time pickup and delivery and successful FourKites tracking. Carrier must notify USA Truck when the driver is loaded and empty and when delays, lumper service charges, or other issues occur. Lumper receipts must be provided to USA Truck within 24 hrs of service. Do not leave loaded trailers unattended in unsecured areas. Truckload weights are estimates provided by shipper. However, carrier is expected to haul up to 80,000 LBS GVW. Tracking automation is required continuously from origin pickup to final delivery via FourKites ELD integration or FourKites CarrierLink mobile app. Failure to track successfully via FourKites will result in unpaid detention. Late pickups and deliveries may result in downtime, overtime, and other charges to carrier. DOUBLE BROKERING IS PROHIBITED and will result in forfeit of payment. Service provided is subject to the Transportation Provider Agreement between carrier and USA Truck.
