## CARRIER EXPECTATIONS

1. Assigned driver(s) are expected to have enough hours of service to complete delivery per the agreed pickup and delivery appointments, and acknowledge they are covered by the carrier's insurance.
2. Loads that have a pickup time from 7 pm to 7 am are requested to have the correct driver name and phone number by 5 pm before the evening of the pickup.
3. The Carrier is responsible to confirm that the seal applied to the trailer of all shipments match the seal number printed by the shipper on the bill of lading at the point of origin, and the correct seals are applied to the correct trailer door before leaving the shipping location. If a seal is not applied by the shipping location or receiving location when a load is being returned, the driver must contact ELITE at 412-573-4362 for permission to utilize a padlock instead. Freight may be rejected if no proper load securement method is used. ELITE will not be responsible for the freight charge and/or the total cost of the products if a claim occurs due to carrier/driver negligence.
4. ELITE will contact the driver **4 hours prior to the scheduled pickup appointment** to confirm if the driver is empty. In addition, ELITE will also reconfirm **2 hours prior to the pickup appointment** to confirm the driver is still good for pickup.
5. Driver is required to notify ELITE when they arrive and depart the pickup location or destination. If the driver fails to notify, ELITE will contact the driver directly.
6. If ELITE cannot contact your driver **2 hours** before the given pickup appointment, driver and/or carrier is subject to removal at the discretion of ELITE.
7. If the driver proceeds to arrive to the pickup location after removal from a scheduled load, a TONU of \$150.00 will be withheld from your carrier pay to fund the recovery carrier cost.
8. Loads with Late Deliveries or Late Pickups may be subject to a Late Fee of \$200.00.
9. Loads with Missed Appointments may be subject to a Missed Appointment Fee of \$200.00.
10. All refrigerated/frozen shipments MUST maintain the continuous temperature stated on the BOL at all times during the transit.
11. There is a \$5.00 fee for any Comcheck written by ELITE Transit Solutions, LLC.
12. In order to be eligible for detention pay, times are required to be verified through project44 and/or ELITE's proprietary solution(s).
13. On loads that have a first come first serve time range will not be eligible for detention.
14. All assessorial charges need to be submitted for reimbursement/processing within seventy-two (72) hours.
15. Assessorial requests of any kind will not be processed without acceptance and use of project44 tracking. Additionally, in order to be reimbursed for any assessorial charge the POD must be submitted with all supporting documentation at the same time.
16. Any charges submitted independently, outside of the seventy-two (72) hour period, without a POD, will not be processed.
17. Carrier shall not sell, salvage, or attempt to sell or salvage any goods without ELITE's express written permission, which requires the shipper's approval.
18. Failure to successfully track using Project44 will result in a \$50 penalty to the carrier's final pay.
