**Special Instructions**

No Comments

We appreciate your partnership, please download our Trucker Tools Tracking App and mark yourself "Start Track" for automated call checks using the following link & Instructions Below: <https://apps.apple.com/us/app/trucker-tools/id362413088>

Trucker Tools Tracking is a mandatory requirement to haul load. Failure to download, register & show 'Tracking' will result in unpaid detention (if applies) and \$150 deduction.

To initiate track start by entering in a **load number** then a **driver's cell phone number**.

- ● Text will indicate whether driver **does / does not** have Trucker Tools App:
  - ○ "Driver doesn't have the Trucker Tools App." Driver will receive Two Text Messages.
    - 1) First text message will be to download the Trucker Tools App.
    - 2) Second text will be to Start Track.
  - ○ If a driver has Trucker Tools App, you will see "Driver's phone number is trusted, and has the Trucker Tools App." Driver will receive text redirecting them to App to "Start Track"
- ● For iPhone users, Tracking will commence immediately after clicking the link.
- ● For Android users, tracking will begin from Trucker Tools app, driver will select "Start Track." (See Below).
