All drivers are subject to direction, control, and supervision of carrier, NOT Meadow Lark. It is the carrier/driver's responsibility to verify weight/dimensions/quantity/additional requirements of this load. If there are any variances to the order or BOL, report these to Meadow Lark immediately. Carrier/driver affirms they have sufficient hours of service to complete this order. Back charges may apply if pickup or delivery times are not met. All drivers are required to download the Macropoint app for tracking or Velocity + app to receive dispatch info on each order, and to initiate tracking. A \$ 50/day fine will be charged for any driver that does not utilize the Velocity + app or Macropoint app for tracking of orders. Meadow Lark does not pay any accessorial charges including detention or layovers unless billable charges are reimbursed by customer and approved by Meadow Lark. Lumpers paid by Meadow Lark will include a \$ 4 administrative fee and 3% of the lumper cost which will be charged back to the carriers. If you are a Meadow Lark Platinum Plus Carrier, hauling Meadow Lark trailers, you are required to provide a pre and post trip trailer inspection report. Failure to do so could result in being charged for any repairs the trailer may require while in possession of equipment. All Meadow Lark Trailers must be clean and free of debris before loading at a customer facility, and before dropping an empty trailer at a customer facility or terminal location.
